

	are finished when the Company receives this notice, the Correction Date will be the following trading day (refers to a day when transactions are carried out at the Tokyo Stock Exchange. (However, if there is a disposition by the suspension of any type of trading or restriction to trading (including temporary trade restriction) of the Company's common shares, such date shall not be considered as a trading date.)). However, if the price after adjustment is lower than the lower limit to the exercise price, the lower limit shall remain as the lower limit to the exercise price after adjustment.
(7) Method of offering or allotment (Expected recipients of allotment)	Allotted to Macquarie Bank Ltd. by way of a private placement.
(8) Others	The Stock Acquisition Rights may be exercised for a period of two years, starting from February 29, 2016 until February 28, 2018 (hereinafter the "Exercise Period"). The Company plans to conclude an agreement regarding the purchase of Stock Acquisition Rights (hereinafter the "Stock Acquisition Rights Purchase Agreement") with Macquarie Bank Ltd., after the registration statement filed in accordance with the Financial Instruments and Exchange Act takes effect. The Stock Acquisition Rights Purchase Agreement is expected to specify that if the allotted party transfers the Stock Acquisition Rights with the prior consent of the Company's board of directors, the party to whom the allotted party transfers the Rights will succeed all the rights and obligations as the recipient of allotment referred to in the Stock Acquisition Rights Purchase Agreement.

(Note) The amount raised is the total value of the amount to be paid for the Stock Acquisition Rights and the amount calculated based on the assumption that all of the Stock Acquisition Rights will be exercised at the initial exercise price. The approximate net amount to be received is expected to stand at 1,089,100,000 yen after deducting the approximate amount incurred as expenses for the issuance from the raised capital. If the exercise price is adjusted, the amount raised will increase or decrease. Furthermore, the amount raised will be reduced if the Stock Acquisition Rights are not exercised during the exercise period.
